

# Bellaire Graduation Information

Dear Cardinal students and parents,

The Balfour Company is your official supplier of graduation goods and caps and gowns for the Class of 2012. On Nov. 11, a packet was provided to each of you that should have listed a number of **CLASS OF 2012** items and essentials to get you through one of the most memorable moments of your life. The Balfour Company will be back at school on:

**FRIDAY, FEB. 10**

**DURING LUNCH / AUDITORIUM FOYER**

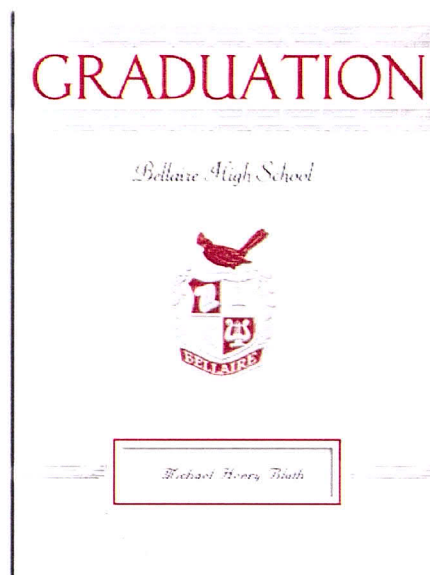

The easiest way to place your graduation order would be to order on this day at school. Not only do you have the assistance of Balfour Representatives but you will receive a number of items marked DLVD on the order form at the time the order is placed. All other items will be delivered to you at school in April leaving plenty of time to distribute graduation invitations/announcements for graduation. All caps and gowns will be delivered to the students at school on Friday, May 25 from 10:30 to 2pm in the Multi Purpose Room. Students may wear a cap and gown purchased for the 2011 graduation but will need to purchase a \$10 tassel at delivery.

Orders can always be placed online @ [balfour.com](http://balfour.com). Balfour.com has a number of features that create a great buying experience for the graduate and their family. The official graduation announcement specifically designed, by the students, for the Bellaire Class of 2012 is shown here and can also be viewed online.

Another option for ordering would be to visit our office:

**2930 CHIMNEY ROCK, HOUSTON, TX 77056 713.784.4990**

All orders need to be placed before **March 5, 2012** or an individual processing fee will be added to all orders.

Sincerely,

**balfour**
