

Mentors Needed!

We are looking for ambitious 2010 – 2011 Seniors and interested parents who would like to be a mentor for a freshman student next year!

The mentoring program has several goals. These are to:

- Help a young person define and achieve his own goals
- Help a young person improve in school
- Nurture a young person's self-confidence and positive self-esteem
- Listen to a young person and help him/her solve problems
- Introduce the young person to new ideas, activities, and opportunities
- Improve school grades
- Get along better with family and friends
- Avoid problems like unexcused absences, alcohol, and drugs.

The program would involve a mentor training session, visiting with your mentee once a week during lunch throughout the year, and one program night each month during the Fall.

We believe that with the additional emotional support of a mentor, we can help to make ALL students at Bellaire successful.

If you are interested in being a mentor, please complete the bottom section of this letter and return it to me at school.

Thank you.

Sincerely,
David Thornhill
